About the Conference

Dharma Dhamma Conference is an initiative of India Foundation, aimed to focus on the essential identity between the Dharma-Dhamma viewpoints because these thoughts are as relevant today as they have been over millennia exemplified by the abiding continuum of Hindu and Buddhist Civilizations. The aim of this annual conference is to facilitate the cross-pollination of ideas and foster harmony between the two ancient Civilizations, so that Dharma-Dhamma becomes a veritable celebration of freedom. The conference serves as a platform for dialogue and intellectual exchange on the philosophical, cultural, and social aspects of Dharma and Dhamma, exploring their potential contributions to addressing modern challenges and building a new world order. India Foundation, in collaboration with Gujarat University, Ahmedabad is organizing the 9th International Dharma Dhamma Conference in Ahmedabad, Gujarat, India, from 18-20 September 2025. The theme of the conference is 'Karma, Reincarnation, Transmigration and The Avatar Doctrine'. The Conference aims to bring together religious, political, and thought leaders from Dharma-Dhamma traditions to ponder over building a philosophical framework.
